

Dear Educator,

Welcome to the Handwriting Without Tears Interactive Digital Teaching Tool, a comprehensive, digital approach to teaching handwriting.

This tool works alongside our Handwriting Without Tears student editions, and with the addition of the Digital Student App, creates an integrated print and digital solution for your students! Our unique curriculum provides you with the expert-backed and research-proven resources you need to ensure student success.

Please use the information in this letter along with any license(s) assigned to you to get started. If you have not received any license details, please contact your administrator.

Your license(s) provide full access to all grade-level features, including an interactive student edition, a digital teacher's guide, lesson planner and assignments, a variety of multimedia resources, and access to supplemental materials called A Click Away.

Getting Started Checklist

- Log in to IDTT (idtt.LWTears.com). You may need to create an account with us if you don't have one already. Use the same email account where you received your license(s). **Note: If you are a Clever or ClassLink customer, you can log in to either and access IDTT through the application.** You should have full access to all features for the grade level license(s) you were assigned. (If you were a trial user, you will no longer see the "trial" icon associated to any grade levels.)
- View the "Getting Started with the Interactive Digital Teaching Tool" video which will walk you through each section of the program.
- Explore the digital teacher's guide and the student edition for guided support.
- Check out the **Lesson Planner & Assignments** and see what's already mapped out for you! Go through the tutorial to learn how you can set up lessons and assign work to students.
- Access the **Resources** section, where you will find the complete bank of multimedia options for teaching each lesson, including: digital letter and number formations, Wet-Dry-Try, animations, music, and teacher-led instructional videos. "Pin" your favorite activities in the Resources section so they are easy to find when you need them.
- Log in to **+Live Insights** (pli.LWTears.com) to access your educator dashboard for teachers and administrators. View your class(es), find student login credentials and print student login cards.

Have Questions?

Visit the **Support** section in IDTT for more details or find the **Help & Support** section of **+Live Insights** to explore articles in our knowledgebase. You will also find multiple options to contact us. Leave us a message, find us on chat, or fill out an email form, and a representative will get back to you within one business day.

Sincerely,

The Handwriting Without Tears Team
