Get Set for School • Handwriting Without Tears • Keyboarding Without Tears

## New Digital Product User Setup Instructions

Learning Without Tears wants to help ensure your students continue learning, no matter what environment they are in this year. We are committed to helping you and your children mitigate any learning loss as you responsibly respond to this unprecedented health issue. Let's get you started!

### Two ways to access the digital product licenses you purchased:

1. You will receive an activation email from [technology@LWTears.com](mailto:technology@LWTears.com) when your licenses are available. Please follow the prompts to unlock your license(s) with the activation code provided in the email.
2. Login to [pli.lwtears.com](http://pli.lwtears.com) and create an account if you don't already have one using the email address you provided with your order. Once your licenses are available, you will see a notification in your +LiveInsights dashboard to activate.

### Follow these simple steps once your license(s) are available to create a class, regardless if it's for one or many students:

1. Select "Classes & Students" from the left-hand navigation.
2. Select  to Create a New Class (even for one student.) Note: The user who sets up the class will default as the educator.
3. Input the Class Details:
  - Class Name
  - Organization Name
  - Primary Educator
  - School Year/Term
  - Co-Educators
4. Choose the type of student secret code with either letter/number cards or text box input. Click "Next Step".
5. Once you've created your class(es), input your student information:
  - First Name
  - Last Name
  - Username—if nothing is input, username will default to first name, last initial
  - Secret Code—based on the type chosen in step 4
  - Grade
  - Product

**\*\*Before getting your student(s) logged in, please take note of the PIN in the top-left corner of your +Live Insights dashboard above your name. This PIN is required for initial student login\*\***
