

# LEARNING Without Tears™

Get Set for School • Handwriting Without Tears • Keyboarding Without Tears

## Bring Professional Development to Your School

Learning Without Tears is a leader in early childhood and elementary professional development.

- **Equip and empower your educators** with the knowledge and instructional skills they need to impact student performance.
- **Provide the foundations** for school-readiness and written communication training your educators need.
- **Tiered training** ensure your educators have yearlong curriculum implementation support with tiered training to achieve desired results.

Our customized professional development trainings provide implementation strategies and tools for remote, hybrid, and in-class instruction. They are available to your educators onsite and virtually. All options provide access to our online portal, the Virtual PD Hub. Training sessions are available in full-day or half-day formats.

## Which training plan meets the learning needs of your educators?

Our training plans build upon each other to facilitate the growth of implementation knowledge and success.

### Comprehensive Instructional Model

- Advanced Implementation
- District Trainers Model

### Targeted Instructional Model

- Intermediate Implementation
- Instructional Coaching

### Foundational Instructional Model

- Getting Started Implementation
- Virtual PD Hub

## Annual Professional Development Plans

### □ Foundational Instructional Model: Getting Started Implementation

Foundational plan includes dynamic, interactive learning experiences that provide your educators with the customized instruction, strategies, and skills needed for curriculum implementation.

### □ Targeted Instructional Model: Intermediate Implementation

Builds on foundational implementation by targeting specific learning outcomes based on curriculum usage and identified educator instructional needs.

### □ Comprehensive Instructional Model: Advanced Implementation

Comprehensive plan dives deep into classroom implementation through student lesson observation. Individualized or group curriculum coaching is provided to address advanced differentiation, modification, and remediation.

---

## Online Professional Development & Virtual Support

### □ Virtual PD Hub

- The Virtual PD Hub provides training at your fingertips and on your schedule. You'll gain the on-going, year-round support needed for Learning Without Tears implementation.
  - Gain access to a virtual team of curriculum experts that provide online support to answer questions and ensure you and your students succeed.
- 

## District Trainers Model

### □ District Instructional Support

Select school or district leaders to act as your instructional support specialists. This train-the-trainer model provides the in-depth, curriculum knowledge and experience your lead educators need for implementation success and student outcomes.
